A FEW WORDS FROM YOUR PRESIDENT... Jack Howes

Welcome to the 23rd consecutive Annual C4 Convention, our sixth convention in Baltimore. Glad you are here, there is nothing like waiting all year for this convention and finally it is here. We have scheduled events, meetings, lectures and exhibits. Please refer to this program for times and locations for events.

The C4 events (Social and Education) will be held in the Severn Room at the Sheraton Inner Harbor Hotel on Thursday night beginning at 5:00 pm. The Board of Directors Meeting will be held at 8:00 am Saturday in room 304 of the Convention Center and the Business Meeting will be held in the same room at 9:00 right after the BOD meeting. This room (304) is the same room as the daytime lectures on Friday and Saturday as well as the study group meetings. Please check at our table just to confirm the times and locations.

This year, again, we are having a joint convention with EAC. EAC will have a table adjacent to ours, with club information and exhibits.

Do not forget to purchase your meal ticket for \$25 for Thursday night's dinner at our Club table, although they can be bought at the door.

Our co-sponsored auction with Stack Bowers is going to be another great event, being held on Friday in Convention Center (CC). Please check at the Club table or the Stacks Bowers table for the time and location of the auction.

So please enjoy yourselves, get re-acquainted with friends, make new ones, hang out at our C4/EAC area and get to know your "management team" and maybe this is the year that you get more involved with your club. Please come to the business meeting Saturday morning at 9 in Room 304 of the CC as you will be introduced to your new officers that were recently elected. If you have any questions please stop by the C4 table and talk to board members and give us your comments. We can always improve on things. As always, I appreciate your confidence in our Board. We try to do our very best for our hobby.

C4's Focus and Purpose

The Colonial Coin Collectors Club (C4) was founded in 1993 to provide a forum for collectors of numismatic material related to the Early American era. This involves coins, tokens, currency, and medals. The exact time frame encompassed by colonial numismatics is open to debate, but is generally accepted to include the complete pre-federal period as well as some issues of the 1790's. The early George Washington coins, tokens and medals are considered colonial items by most, and some of these date to the first half of the nineteenth century.

The club provides a forum for people interested in this period. The aims of the club are:

- 1- To increase the public's knowledge about colonial numismatics through meetings, conventions and its newsletter.
- 2- To promote the study of colonial numismatics and to help disseminate this information.
- 3- To cultivate fraternal collector relations.

For these purposes, the club will hold several meetings during the year in conjunction with major numismatic shows. The club has also established a colonial reference library and a colonial coin photo file. In addition, the C4 Newsletter is published quarterly.

FRENCH COINAGE SPECIFICALLY FOR COLONIAL AMERICA

The Colonial Coin Collectors Club, C4, released Sydney F. Martin's latest book, *French Coinage Specifically For Colonial America*. This is the third colonial coin book published by C4 written by Syd Martin. Other works include *The Rosa Americana Coinage of William Wood* and *The Hibernia Coinage of William Wood*. The Rosa and Hibernia books are now considered standard references for those coinages and Syd's long awaited new book is expected to become the leading reference works on French Coinage minted for circulation in North America.

SYDNEY F. MARTIN

"What many early American coin collectors fail to recognize," Martin said upon the book's release, "is that from the 16th century until 1763, New France included much of what is now the United States, as well as most of Canada. As such, coins minted by France for circulation in its North American colonies should be considered 'coins of the realm' in these areas." Colonial numismatic expert, John Kraljevich, went on to explain that "the history of the French in what is today the United States is largely forgotten. However, the memory of these people and their coinage has been long cherished in Canada."

The 480 page book is hardbound, well-illustrated throughout with photographs of the different coin varieties examined, with dust jacket depicting French Coinage. The book is available for \$85.00 plus \$7.00 shipping from bookseller Charles Davis, (<http://www.numisbook.com/>), Box 1, Wenham, MA 01984, or telephone 978.468-2933.

AMERICAN NUMISMATIC SOCIETY

The Colonial Newsletter, Chris McDowell, Editor

The Colonial Newsletter (CNL) is a research journal dedicated to the study of early American numismatics. Founded in 1960, CNL has continuously published some of the most scholarly and seminal studies in this area of numismatics. Focusing on the study of the coinages produced by the states during the Confederation period of the United States, CNL also investigates a variety of other specie that our forefathers used in their daily lives. Anyone with an interest in early America and its struggle to establish a new nation will find something of value in this publication. CNL is published three times a year in April, August, and December.
